Until this date, the relations between Canada and other states, especially the U.S., are often described as being triangular, because any external affairs of Canada were at the same instance affairs of Great Britain, which eagerly held its thumb on the Dominion. To give an image to the development of relations and influence in the 20th century, one could picture an extremely slow moving pendulum constituting Canada, and the left and the right turning points Britain and the USA. In the lapse of time it has not yet fulfilled one whole swing. To reach the second turning point would mean to become dissolved in the U.S. or to become integrated into a new American state. Several questions in the Canadian-American relations since 1931 are striking, and these are to be discussed within this paper. Among the most interesting is the question, in what way the American agenda has developed after 1931- was there a shift towards continental integration that could be viewed as leading to the 1994 NAFTA And, in direct connection to this, how are the chances of an...
