## Media Access: Social and Psychological Dimensions of New Technology Use

By -

Lawrence Erlbaum Associates Inc, United States, 2003.  
 Paperback. Book Condition: New. New.. 226 x 152 mm.  
 Language: English . Brand New Book. In Media Access: Social and Psychological Dimensions of New Technology Use, editors Erik P. Bucy and John E. Newhagen present the latest work, theoretical explorations, and original research findings on media access from a team of internationally renowned media and technology researchers. Chapters develop expanded definitions and conceptual understandings of access to stimulate further research, offer new perspectives on policy discussions, and facilitate media participation among those at risk of being left behind. Broadening our understanding of information technology use, this collection offers: \*Novel perspectives--chapters demonstrate new methods of addressing persistent questions regarding motivation, cultural context, socioeconomic resources, technical knowledge, and psychological skills required for effectual use of information and communication technologies. \*Conceptual integration--each chapter addresses a vital aspect of media access and summarizes pertinent findings, weaving together results to provide much-needed integration across communication and technology studies. \*Multidisciplinary approaches--chapters represent a variety of conceptual and methodological approaches, deriving social explanations from large-scale survey data, psychological explanations from experimental data, and cultural explanations from depth interviews and ethnographic methods. \*Shifting the policy and research

### Reviews

*This ebook will be worth buying. It is among the most amazing pdf i have read through. Your way of life period will likely be enhance the instant you complete reading this ebook.*

-- Vita Ebert

*This type of book is every little thing and taught me to seeking in advance plus more. it absolutely was writtern quite completely and beneficial. Its been designed in an remarkably simple way in fact it is merely after i finished reading this book where basically changed me, modify the way i really believe.*
