Summary: "The many moving stories of the women that Patricia Harman cares for as a nurse-midwife add up to a remarkable account of a life spent listening, helping, and taking care. Inviting us into her clinic in rural West Virginia, she shows us the joys and sorrows of listening to women's stories and attending to their bodies, and she leads us through the complicated life of a healer who is profoundly shaped by her patients and their journeys." Samuel Shem, M.D., author of *The House of God*, *Mount Misery*, and *The Spirit of the Place* "Patricia Harman has opened for us a window, a glimpse into her life as a midwife and the lives of those women who have entered her exam room. And as the touch of her careful and caring hands learned the story of their bodies, into her heart they poured their life stories stories of joy, of sorrow, those bright with promise, those dimmed with grief and pain." Sheila Kay Adams, author of *My Old True Love* "As the mother of seven children...
