Brand New Book ***** Print on Demand *****.The Kentons were not rich, but they were certainly richer than the average in the pleasant county town of the Middle West, where they had spent nearly their whole married life. As their circumstances had grown easier, they had mellowed more and more in the keeping of their comfortable home, until they hated to leave it even for the short outings, which their children made them take, to Niagara or the Upper Lakes in the hot weather. They believed that they could not be so well anywhere as in the great square brick house which still kept its four acres about it, in the heart of the growing town, where the trees they had planted with their own hands topped it on three aides, and a spacious garden opened southward behind it to the summer wind. Kenton had his library, where he transacted by day such law business as he had retained in his own hands; but at night he liked to go to his wife s room and sit with her there. They left the parlors and piazzas to their girls, where they could hear them laughing with the young fellows who came to make the morning calls, long since disused in the centres of fashion, or the evening calls, scarcely more authorized by the great world. She sewed, and he read his paper in her satisfactory silence, or they played checkers together. She did not like him to win, and when she found herself unable to bear the prospect of defeat, she refused to let him make the move that threatened the safety of her men. Sometimes he laughed at her, and sometimes he scolded, but...
