John Murray General Publishing Division. Hardback. Book Condition: new. BRAND NEW, All in One Basket: Nest Eggs, Deborah Devonshire, Entertaining, instructive, thought-provoking and hilarious, the unmistakeable voice of Deborah Devonshire rings out of this volume which combines her two collections of 'occasional' writings - Home to Roost and Counting My Chickens. The pieces are broad and eclectic in their subjects, ranging from treasures unearthed while the kitchen was being redecorated, musings about the reason for the reworded town sign, tourism at Chatsworth, a ringside view of both John F. Kennedy's inauguration and funeral, and the value of deportment. No matter what she's writing about she is always affectionate, shrewd and uproariously funny.
