From the point of view of this book, these essentials are indicated by the following questions: (1) How did the language come into being? (2) Who was responsible for its origin? (3) What changes have taken place in its orthographical development? (4) To whom is this development due? (5) Through what media has it been attained? (6) What were the refining influences that have brought it through its crude original forms to the plastic medium for expressing thought which we have to-day? To present these essentials in concrete form is the purpose of this book, which records the chief facts concerning the historical and ethnological development of...
