Brandon had just sacrificed himself so that she might have a chance to live. He had plunged into a great white hunting ground to give her the slimmest of hope of making it to shore alive. Now all she could do is pray that her plane could safely touch ground. If it did not, not only was Brandon sure to perish, but she might join him in the frigid depths of the Mediterranean Sea. Half of all proceeds of this novella benefit battered women s shelters. Love s Labyrinths is the fourth novella in the Italian Nights series. Due to the strong sexual content and adult situations, this book is recommended for readers aged 17+. The first four novellas have cliff-hanger endings, which lead to the final novella with a happily-ever-after. I come from a family which adores Italy. My parents strive to go every year, and I ve been several times there myself. I took this very cruise through the Mediterranean Sea and wrote my notes while I traveled. The sights, sounds, aromas, and atmosphere of this exotic region are just as I personally experienced them. If you haven t been to Italy, Monaco, Spain, or France, I highly recommend it. Even if you have to save a little each year to make it a trip of a lifetime, it is well worth it. These locations are the cradle of civilization. The art, food, and culture created here resonate throughout time.
