Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

FOUNDATION: THE RELIABILITY OF THE BIBLE

Moody Press, U.S., United States, 2013. Paperback. Book Condition: New. New.. 175 x 124 mm. Language: English . Brand New Book. Can the Bible be trusted? Do we even know how it was formed and how it got to us? What makes this book so special? Questions like these have nagged at the minds of many people over the years, including Christians. In *Foundation*, Pastor Jim Nicodem gives clear answers to these and other pressing questions about the trustworthiness of the Bible. *Foundation* makes the case that the Bible is God's book. God: Breathed it out through human authors (inspiration) Gathered its 66 books into one volume (canon) Protected it from errors through centuries of copying (transmission) Faithfully reveals himself and his will for our lives in its pages (revelation). How can we be sure of these claims? *Foundation* provides plenty of evidence to back them up, giving us the confidence to build our lives on God's Word. Perfect for believers at any stage as well as questioners or skeptics, *Foundation* provides an accessible resource explaining why the Bible can be trusted and how we can more fully understand it.
