By Neil Nathan

Basic Health Pubns. Paperback. Book Condition: New.

Paperback. 224 pages. Dimensions: 8.9in. x 6.0in. x 0.4in.

A useful and comprehensive resource for anyone who has fallen through the medical cracks, *Healing is Possible* provides readers with new hope for healing. Through direct, hands-on experience, Dr. Nathan has brought countless people relief from their long-term symptoms and illnesses. Like a top-notch medical detective, Dr. Nathan gathers the facts and uncovers the clues one by one to bring about a steady improvement in his patients' health. In *Healing is Possible*, Dr. Nathan identifies the twelve major imbalances in the body that often contribute to chronic and/or complex illnesses, such as chronic fatigue and fibromyalgia. Unfortunately, these imbalances are often overlooked or ignored by mainstream medicine. By identifying and treating these imbalances-- which he calls the Big Six and Little Six--symptoms often improve or resolve completely. While further investigation is sometimes necessary for complete healing, when a well-informed and valiant effort is made on the patient's behalf, Dr. Nathan assures readers that healing really is possible. Cutting-edge diagnostic tools and treatments are discussed in easy-to-understand language, arming the reader with information that may be vital for finally bringing them relief from their long-term health...

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
