Except as art training is vocational its major purpose is consumption, not production. 8. Outside of certain vocations, and possibly a so outside of certain simple geometrical and mechanical drawing, the majority of the men and women of the city have not enough need of practical drawing skill to warrant the necessary educational time and expense. 9. Opportunities will be offered students for short-unit courses in productive art which give that minimum of productive art that is helpful to understanding, and which give an opportunity to talented ones to discover their possibilities. 10. Except in the case of the talented ones, the fruits of much public-school drawing are practically nil on the productive side; and of relatively little value as training for consumption purposes. 11. Those who show no promise of skilful execution should be excused from the productive side of the training as soon...
