FABER FABER, United Kingdom, 2013. Hardback. Book Condition: New. 216 x 142 mm. Language: N/A. Brand New Book. These poems report on worlds both robust and delicate, from boisterous pub-bluff to the oxygen bubble of an exquisite underwater spider. Whether situated in the quiet lanes of his native Co Cork or amid the bustle of his adopted London, Riordan s poems exist between many states, poised at once in the grip of both activity and stillness, concerned with speaking and listening to what he hauntingly describes as the unwonted quiet . There are tributes to the departed and the living, the befriended and the estranged; there are also conversations with poets, in memory and in translation, from the Spanish and from the Irish. The collection concludes with The Pilgrim - that hovers eerily in patrol of the edges , wherever they may be located. But just as these poems can be sage, they are also mischievous, fun-loving, gregarious creatures who like nothing better than to sing or to joke at your ear. The Water Stealer is a book full of invention and delight, whose hypnotic stories remind us of the variousness and the enchantment of the world.
