*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Ecumenical List of Translations of the Holy Scriptures: Classified Scientifically According to Geographical, and Linguistic, Considerations Up to the Year 1900 It is not pretended, that in this difficult and complicated subject we have obtained actual accuracy, but, if the present list be adopted as the approximately accurate list in 1900, and a corrected list be printed every five years, and copies circulated among Missionaries and Translators all over the World, mistakes will be pointed out; and as each new Manuscript-Translation is submitted, its exact Geographical position should be reported by the Translator, and its precise Linguistic position settled by some competent Linguistic authority, and in future the recurrence of uncertainties, double entries, misnomers, and omissions, will be guarded against. The Holy Scriptures in their original Languages are omitted from the cumenical list of Translations, but appear on the Price-List of books published by the Society for the convenience of purchasers. The reader will not find in this Essay any indication of the portions of the Scriptures, which have been translated, or any opinion expressed as to the excellence, or the contrary, of the Translation, or the name of the Translator. It is well known, that some Translations are distributed in annual thousands; of others not a dozen copies are circulated annually. Some are beautiful works of Linguistic skill; others are not so. Such matters lie outside the present enquiry. The wish is to record facts. Nothing less than a Translation of one Book of the Scriptures gains admission into this List, after it has been printed, and put into circulation, with the object of Converting a Soul. No Serial numbers or Totals are attached...
