UNDERCOVER: HOW I WENT FROM COMPANY MAN TO FBI SPY AND EXPOSED THE WORST HEALTHCARE FRAUD IN U.S. HISTORY

AuthorHouse. Hardcover. Book Condition: New. Hardcover. 304 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. When John Schilling, an unassuming midlevel accountant, joined Columbia Healthcare Corporation -- the nations fastest growing and revolutionary network of public hospitals -- it seemed like the start of an exciting new career with great advancement and earnings potential. He never expected to become a catalyst for the series of whistleblower lawsuits that ripped through the healthcare industry in the late 1990s. In *Undercover*, John Schilling tells the story of his harrowing journey from ordinary citizen and loyal employee to covert FBI informant and top witness for the Justice Department in the largest criminal healthcare fraud case in U. S. history. It began when he stumbled upon evidence-- a 3.5 million accounting error--of his companys routine practice of defrauding Medicare. When pressured to comply with stealing from taxpayers, Schilling knew he had to speak up for what he believed was right, regardless of the cost to his job, his reputation, and his family. His courageous choice would consume the next seven years of his life, leading to more drama, angst, turmoil, and money than he could have imagined. Ultimately, Schillings moral conviction and a little known law, the False Claims Act, paid off by forcing the formidable healthcare conglomerate of ColumbiaHCA to pay back 1.7 billion to the federal government. Revealing the personal side of a thankless role, *Undercover* is a gripping and inspiring account of a long, hard, life-- changing quest for justice. ADVANCE PRAISE FOR UNDERCOVER *Undercover* crackles with authenticity as it recounts in a lively, readable style how a man on the inside risked everything and blew the whistle on a giant healthcare company that was systematically looting the Medicare program out of billions. A good read for anyone, but a must-read...
