Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

CLOGS AND CLOGMAKING

[DOWNLOAD](#)

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Clogs and Clogmaking, Jeremy Atkinson, Clogs were a popular form of footwear in Britain from the beginning of the nineteenth century to the middle of the twentieth, when they began to become perceived as unfashionable, utilitarian and a sign of poverty. The craft of clogmaking has since declined almost to extinction and there are very few skilled craftsmen still practising the art of clog sole cutting today. This book examines the origins and development of clogs and the processes used in their manufacture. Jeremy Atkinson, an expert clog maker, discusses the various designs of these unique shoes, and their place in the social structure, which may ultimately have led to their decline.
