### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

What Is a Garden? also includes a new introduction by Merwin chronicling his personal history with his palm garden, Cameron's photographer's note on his friendship with the poet and his inspiration for this collection, and an identification guide to the plants featured in the volume.
