Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.
(Prof. Loyce Runolfsson Jr.)

THE PRINCE AND I

POCKET BOOKS, United States, 2015. Paperback. Book Condition: New. 175 x 104 mm. Language: English . Brand New Book. From New York Times bestselling author Karen Hawkins, the lively and sizzling second book in a new fairytale-based Scottish historical romance series, *The Princes of Oxenburg*. Max Romanovin, Oxenburg's warrior prince, is escorting his grandmother to a house party deep in the Highlands when he and his entourage are robbed at sword point by a group of ruffians led by a man the locals have dubbed The Scottish Robin Hood. The battle-savvy prince instantly realizes there's something different about this thief, and it's not just the Scottish accent--it's the fact that he is really a she. Lady Murian, a young widow out for revenge against the powerful earl who killed her husband and stole his birthright, is now living in the woods with her family's banished retainers. To stay alive, she and her band of men rob rich nobles coming to visit the evil earl. But when she ambushes the Prince of Oxenburg's golden coach, she gets far more than she expected. For when the prince uncovers her true identity, she's afraid that he might be the real thief of her heart.
